INSTITUTIONAL CALENDAR OF EVENTS (2025 -26) REPORT

The Institutional Calendar of Events for the Academic Year 2025–2026 was meticulously prepared by the Internal Quality Assurance Cell (IQAC) to facilitate systematic planning, effective coordination, and timely execution of academic, administrative, research, extension, cultural, and student development activities. The calendar served as a comprehensive roadmap for the institution, ensuring that all departments and committees conducted their activities in alignment with the institutional vision, mission, and quality objectives.

The calendar reflected the institution's commitment to holistic education by integrating Continuing Dental Education (CDE) programme, Faculty Development Programme (FDPs), workshops, guest lectures, conferences, outreach initiatives, wellness programme, cultural events, national commemorations, and interdepartmental academic interactions. It enabled optimum utilization of institutional resources while promoting interdisciplinary collaboration, faculty development, student engagement, community service, and continuous quality enhancement.

Objectives

The Institutional Calendar of Events was developed with the following objectives:

- To ensure systematic academic and administrative planning throughout the academic year.
- To provide a structured schedule for curricular, co-curricular, and extracurricular activities.

Activity Highlights

During the. academic year, the institution organized numerous quality enhancement initiatives encompassing academic excellence, research promotion, community engagement, faculty empowerment, and student welfare. Departments actively collaborated in organizing interdisciplinary programme that enriched clinical knowledge and encouraged evidence-based practice.

Regular Faculty Development Programmes strengthened faculty competencies in research methodology, intellectual property rights, clinical trials, and patient safety. Continuing Dental Education programmes and workshops provided opportunities for updating clinical skills in specialized disciplines.

Student-centric programmes focused on leadership, professional ethics, biomedical research, financial literacy, life skills, stress management, and career development. Outreach activities emphasized preventive oral healthcare, environmental sustainability, public awareness, and social responsibility.

Monthly Yoga Shibirs and wellness programmes contributed significantly towards promoting physical, mental, and emotional well-being among students, faculty, and staff.

Institutional Outcomes

Implementation of the Institutional Calendar of Events resulted in:

- Timely execution of planned academic and administrative activities.
- Enhanced participation of students and faculty in institutional programmes.
- Improved interdisciplinary collaboration among departments.
- Strengthened research culture through faculty development and ethics initiatives.
- Increased awareness regarding community health and preventive dentistry.
- Promotion of wellness, leadership, and holistic personality development.
- Better documentation and monitoring of institutional activities by IQAC.
- Alignment of institutional practices with NAAC quality benchmarks and strategic objectives.

Conclusion

The Institutional Calendar of Events 2025–2026 successfully served as an effective planning and monitoring tool for the institution. Through coordinated efforts of various departments, committees, and the Internal Quality Assurance Cell, the institution ensured the successful conduct of academic, professional, research, outreach, wellness, and cultural programmes throughout the year.

The calendar not only facilitated efficient execution of institutional activities but also reinforced the culture of quality, accountability, continuous improvement, and stakeholder participation. It significantly contributed towards achieving the institutional mission of delivering excellence in dental education, patient care, research, community service, and professional development.
